You can't train to be a good parent
But, you can read

CHILDREN
FOR TODAY'S PARENT

CHILDREN magazine offers you authoritative, up-to-date information that will give you confidence in making decisions that concern your children.

You'll learn how to promote:
- physical and emotional health
- proper nutrition
- better fitness
- improved educational and intellectual development
- effective discipline
- and educational activities that are fun for you and your children

Plus you'll find product reviews on books, toys, clothes, and much more!

From pre-school up to adolescence, CHILDREN covers it all

If you can't find **CHILDREN: For Today's Parent** at your favorite newsstand, just send $2.95 plus $.45 postage to: RODALE PRESS, INC., Dept. C12, Emmaus, PA 18098.

AVAILABLE ON NEWSSTANDS NOW!
